

Summer of Fun!

51's Baseball
Sunday July 27
Noon
\$10

You can't beat fun at the old ball park. In what has become a summer tradition The Men's Club invites you to bring your family and friends to an afternoon of baseball.

Free Hats/Shaded Seating

Everyone who attends will receive a free 51's cap. Seating will be under the Overhang which will provide for a more comfortable afternoon.

"We always have a ball" said T.J. Coons, event chair. "The kids love baseball. The team mascot comes up and visits them. I lead cheers. The adults kibitz. It's impossible not to have a good time."

Reservations and Payments for all events, call Mary at 733-6292 Ext. 200 or pay her at the office.

"Meet the Scintas"
Sunday, August 17th
8:45 p.m.

Half Price Tickets, A Visit with The Scintas before the Show and an evening of Great Entertainment

They have entertained over 2 million and been voted one of the top five acts in Vegas. Now you can see them or see them again.

New Show -- Only \$30.00!

The show is fresh and new with many additions, according to Scott Docswell who made the arrangements for the evening.

The Scintas are true entertainers. From the moment they step on the stage they provide songs, comedy, musical prowess and impressions.

Two brothers, Joe and Frank are joined by sister Chrissi and "adopted Scinta" Peter O'Donnell for a show that has become a Las Vegas favorite. If a great evening isn't enough, Scott arranged for a savings on the tickets. We'll pay half price, only \$30.

The Year in Review

MRJ Regional

"Man of the Year" Dinner

Honouring the recipients from throughout the West Coast was our aim. We were on target.

It was the biggest, most elegant dinner in region history.

Allan Nathanson was our club's Man of the Year! Way to go Allan

Viva Las Vegas was the sentiment of everyone in our region.

Pinball Museum

What a Blast. The Pinball museum...who would have guessed so many of us spent our college years hustling pinball?

Golf Tournament

Moving to Black Mountain Country Club, and sleeping a little later, we're welcome changes to this years golfing.

Sukkah Building

How many Members does it take to build a Sukkah? With our projects we usually have as many supervisors as builders.

Art Auction

Will it be successful? We never had one before. You bet it was. Everyone enjoyed the evening of wine and cheese and a chance to add to their art collections. Look for it to be bigger and better this year.

Fiddler on the Roof

We sold out this event. What a great evening. A new tradition was born...we'll host more entertainment in the future.

The Year in Review

Men's Seder

Looks like we've started another tradition. With the help of Rabbi and Cantor we launched an evening of learning, camaraderie and song which should become an annual event.

51's Baseball

Summer, baseball and Men's Club just seem to go together. This is an event the whole family enjoyed.

Bagels and Lox Breakfasts

How do you get a crowd out on a Sunday morning? Mix a Bagels and Lox Breakfast with an interesting speaker and it equals success.

Looking at Israel

Jay Amernick, AIPAC, and Bobby Feldman, JNF, led a review of current happenings in Israel. This program allowed several of our regional visitors who attended the "Man of the Year" dinner to participate in our morning program.

Publishing President Kick Off Speaker

Carolyn Hayers Uber, President of Stephens Press discussed Vegas history and publishing at our first Sunday get together.

Holiday Ushering

Ushering this year was a special honour. It was our first year in our new home

Thanks to Everyone

As you can see from this quick review of last year, we worked hard and had a lot of fun.

We thank everyone who pitched in to make these events a success and everyone who attended. If you want to join in on the fun just call Mike at 279-3702.
